PROSPECTUS

Chairman's Voice

CA Deepak Pandey

Dear Students, Parents and Well-wishers, With the concept of globalization in the modern world serving in different parts of the world is a common phenomenon. For this acquiring the character and strength of a global citizen is the first condition. Education one gets opens the door to this direction. In this context, academic pursuit of students is becoming more challenging in Nepal as they strive seeking for the right institution, inside and outside the country.

To encourage them to find the best seminary for their further studies, BWIC facilitates every student with holistic educational values that instils in them the feeling of universal humanity, which is undoubtedly the essence of education. Our various co-curricular activities serve as a platform for the students to explore their innate abilities. We nurture your dreams of becoming the best among all, make it more prominent, and consistently oversee your daily schedules to ensure that you reach out to your goal of a secured and career-oriented future aligning with your dreams. Thank you

Principal's Voice

Krishna Paudel

Dear Prospective Students, Parents & Guardians, It is my pleasure to welcome you to Bridgewater International College, where we strive to provide an exceptional educational experience that prepares our students for success in their chosen careers and in life. As the principal of this esteemed institution, I am proud to lead a team of dedicated educators as faculty members who are committed to providing a high-quality education to all of our students.

At our college, we believe in fostering a dynamic learning environment that encourages creativity, critical thinking, and collaboration. Our programs are designed to challenge and inspire our students, and we provide a wide range of academic opportunities to meet the needs and interests of every student. They are committed to helping our students develop the skills and knowledge they need to succeed in their chosen fields, and they work closely with our students to provide personalized attention and support. We also offer a range of extracurricular activities that help students develop leadership skills, build relationships, and explore their interests outside of the classroom. As you consider your college options, I encourage you to explore all that our college has to offer. We are confident that you will find a welcoming community, challenging academics, and a supportive environment that will help you achieve your goals. Thank you for considering our college, and I look forward to welcoming you to our great learning community.

Message from Vice-Principal

Welcome to Bridgewater International College.

As the Vice-Principal of this institution, I feel very lucky to work with many dedicated, committed, caring and innovative teaching and non-teaching staff, parents and students. Many people consider education as a medium of getting good jobs, living a royal life, earning money and much more. But education doesn't really mean this alone.

Bishnu Sharma

At BWIC, we believe that every child is a gift of God, and that excellence is the way of life. Keeping this in mind, we provide the students with value based education, opportunities to grow in every sphere of life both in academics and in their personality development. In the field of co-curricular activities, games, and sports our students are paving their way towards great heights.

Last but not the least, carrying the major theme of academic exposure, club activities, e-learning platform, ECA & CCA and so on at BWIC, We assists students to the betterment of their academic career for long run. We not only teach the students theoretical concepts but also the life learning activities through syllabus and beyond.

YOUR COMPANION TOWARDS SUCCESS...

WHO WE ARE

Bridgewater International College (BWIC) was founded in 2010 with a view to make global education opportunities available at local level. We believe in delivering quality education through participatory approach where each student gives his/her best to learn and each teacher contributes his/her best to make them learn. BWIC is currently under the umbrella of Bridgewater Education Foundation & Research Center.

BWIC aims at providing students quality world class education that promotes critical thinking, creativity and lifelong learning enabling them to be successful leaders, sought after professionals and responsible members of the world citizenry.

OUR VISION

Our vision is to be the 'Numero Uno' center in Management and Technology education in the nation, known for its academic excellence, innovative programs. We adopt participatory and progressive approach in learning inspiring students to pursue their passions, challenge themselves intellectually, and make a positive impact in the world.

"I am so grateful that i got to be part of this college i never knew i had this much of confidence in me .The kid who used to hesitate when someone called her name is now the student who participates in every event . Thank you Bridgewater for making me believe in myself, I will forever be grateful for this."
